Hi thanks for the heads up! Ex. 6 – Personal Privacy/Nonresponsive disc. of personal matters it will be difficult for me to give the update as I will be in more of a listen only mode. Can any of the other teams members chime in?

Hi Chantal, Dylan, Susan, Liz, and Dave

During tomorrow's full America Recycles workgroup check-in, we will be looking to our steering committee members to provide an update on the conversations that occurred during the steering committee and workgroup conversations during the month of July. I will leave it up to you how you would like to split that up, but just wanted to give you a heads-up so you're not caught off guard when the facilitator turns it to you tomorrow!
